Kids in die Clubs*

## **Everyone knows: Doing sports is important for children**

Doing sports in a club is even more important: Only sports clubs assure a regular and professional training. On the one hand kids get to know one particular kind of sport, on the other hand they learn fairness and they are able to participate in competitions. Furthermore they gain a lot of new experiences and make new friends.

No matter if they kick the football across the field, throw their judo partner across their shoulder or win the other's king in chess. Hamburg's sports clubs offer all kinds of sport you can imagine. There will be the suitable kind for your child.

As sports is so important for children, "Hamburger Sportjugend" supports clubs that offer children and young persons (up to 18) whose parents cannot afford a regular membership, a variety of sports for free. This project is financed by donations from „Kinder helfen Kindern e. V.“ of Hamburger Abendblatt and by funding from the city of Hamburg.

Because we want all children to be able to do sports in clubs!

**200.000 children and young people do sports in Hamburg sports clubs.  
Your children shouldn't miss it!**

As we know that there are many families that cannot afford the membership fees, we offer the project "...lets go! Kids into clubs".

## How to join?

On a list ([www.kids-in-die-clubs.de](http://www.kids-in-die-clubs.de)) you find all clubs that take part in the project "...lets go! Kids into clubs".

Each club has a person responsible who will answer all your questions. This person will also tell you whether your kid is entitled to financial support. This applies if you receive

- unemployment benefit (*Arbeitslosengeld II*)
- asylum-seeker benefit (*Asylbewerberleistungen*)
- children´s allowance (*Kinderzuschlag*) or housing benefit (*Wohngeld*)
- or if your family income is lower than a defined income limit.

The applications for participation on "Kids in the clubs" can be submitted directly at co-operating sports clubs.

And then you start: Be a member free from any fees and join the training!
